**BERGMANN**

# What your project needs now.

That's me, the **Bergmann C912**. **Maximum safety**: With two hydrostatic drives and a low center of gravity, I can master any terrain - with a high level of stability. My suspended seat offers comfort and is easy on your back. **Maximum efficiency** for your project: At 16 km/h, I'm the fastest track dumper in my class and particularly economical - for efficient work at low cost. **Durable** for successful cooperation: Maintenance-free technology and a high availability of spare parts guarantee you a long service life.

**We save ourselves the large quantities of paper. So you can save weight.**

Simply scan the QR code! You'll find everything you need digitally - quickly, sustainably and always up to date.
